Thanks Keith – this is super helpful. Can you pull text from the deposition about who Bratter was and what he did for Montrose? That would be very helpful to add context.

Great work!

Thanks for the call John, I have enough to go on now and we will talk next week after I look at the Operation History more closely, and see what, if anything I can corroborate from the Depos.

Thanks Keith!

There is not a SSID for this (at least yet).

And yes, bet to communicate with Andrew and cc Loren and me.
Thank you

Thanks John,

I'm on it. Got three (3) emails from you including the one below. Once I digest I'll get back with questions to either you or Andrew.

Should I report directly to Andrew with my preliminary findings/questions and copy Loren and yourself? I can remove you and Loren off the emails until I have a more formal assessment per our discussion this afternoon. I'll target a preliminary assessment to **start** and "perfect the narrative" by late next week.

What is the SSID and OU for this? I'll ask Anabel to load in my PPL.

Best,

Keith
